

2024 B.A.S.S. Nation Regional and National Qualifying steps

For the 2024 B.A.S.S. Nation Regional Qualifiers the SC BASS Nation will again send 10 boaters and 10 non-boaters to fish the Regional Qualifier within our region (location/date TBD). During the 2023 SC Bass Nation Trail tournament season, we will again qualify (5) boaters and (5) non-boaters. During our October 6-man Team tournament we will again qualify (3) boaters and (3) non-boaters. At our November State Championship tournament, we will again qualify (2) boaters and (2) non-boaters to fish the Regional Qualifier. The Regional Qualifier is no longer a Team event starting in 2024. (All B.A.S.S. Nation members can fish ANY Regional Qualifier through open slots if available. These individuals will not receive funds from SC BASS Nation).

New to 2024, state chapters of B.A.S.S. are allotted slots directly to the B.A.S.S. Nation Championship (BNC). South Carolina is allotted (7) slots to the BNC. We will designate the top (3) in point standings from our Trail Season, the top (2) from our 6-Man Team Tournament, and the top (2) from our State Championship to earn direct qualifications to the BNC in 2024. These slots will be determined during our 2023 season. Those individuals that qualify for the BNC directly will also qualify to fish the Regional Qualifier as part of our State 20-person representation.

The Regional Qualifier cost is \$400 per boater and \$200 per non-boater. Entry fees and some expenses will be covered by SC Bass Nation (pending current funds) to those that qualify through SC Bass Nation events. There is no entry fee at the BNC. The 3 boaters and 3 non-boaters not already qualified for the BNC have a chance qualify for the BNC at the Regional Qualifier.
